

PROVEN SUCCESS WITH GEORGIA COUNTIES

TrueRoll, a four-time GovTech Top 100 company, supports over 130 customers across 11 states, including Georgia counties like Gordon, Effingham, Fulton, and Camden. Our clients have successfully transitioned to a proactive, citizen focused model removing the need for traditional audits that focused on backtaxes and penalties.

- **Verification of New Homestead Applications:**

Handwritten and online applications are automatically reviewed with eligibility summaries provided to staff for efficient verification.

- **Real-Time Eligibility Monitoring:**

Our technology integrates with your CAMA system seamlessly. It uses thousands of up-to-date datasets and advanced algorithms to keep homesteads accurate and tax rolls fair.

- **Citizen Notification:**

Timely and clear communication keeps homeowners informed of eligibility changes.

- **Investigation Services:**

Certified investigators handle complex eligibility scenarios, presenting evidence and recommendations for your final determination.

Partnering for a Stronger Future

We are ready to partner with your county to enhance efficiency, modernize processes, and better serve your citizens.
